OPTIONS	
Bluetooth adaptor	C12C824384

LIGHTFASTNESS	
LIGHTFASTNESS# Up to 200 years album storage	

Data is calculated using accelerated simulation of fading under indoor preservation conditions including fluorescent light indoor display. Temperature, humidity and some atmospheric gases may also affect the rate of fading. The estimated lightfastness period does not indicate the colour changing or the durability of the paper itself. Epson recommends that your prints be stored in a photo album (or plastic photo storage box) in acid free, archival sleeves commonly available from most camera shops.

INK CARTRIDGES	
-----------------------	--

STANDARD INK CARTRIDGES	82N Black, 82N Cyan, 82N Magenta, 82N Yellow, 82N Light Cyan, 82N Light Magenta

------------------------------	---

STANDARD INK CARTRIDGE YIELDS^^	Black 330 pages, Colour Composite 525 pages
HIGH CAPACITY INK CARTRIDGE YIELDS^^	Black 540 pages, Colour Composite 860 pages

^ Print speed (PPM) when printed on A4 plain paper in the fastest mode. 10x15cm photo print speed when printed on Epson Premium Glossy Photo Paper borderless in draft mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

+ Copy speed when printed on plain paper in the fastest mode. Copy speed may vary depending on copy mode, document complexity, type of paper used and number of copies.

>> According to ISO7779 Pattern with Premium Glossy Photo Paper / Photo RPM mode.

^^ According to ISO/IEC24711 and 24712 test suite. [Click here for details on ISO testing. \(PDF\)](#)

† Maximum pages per minute (PPM) are measured after first page with text patterns in Draft Mode on plain paper. ISO ppm is based on ISO/IEC 24734. Black and colour print speeds are determined in default, single-side mode, in accordance with ISO/IEC 24734. Actual print times will vary based on system configuration, software, and page complexity. See www.epson.com.au/printspeed for details, including complete ISO reports.

*Some applications and/or functions, like two-sided printing, may not be supported by Mac®
