Epson is Cerner Validated

Printing and scanning solutions to support healthcare

EPSON
EXCEED YOUR VISION

Epson has a full range of printers, MFPs, MFDs and scanners that have been validated by Cerner – a leading health information and electronic health record (EHR) vendor that connects people at more than 27,000 facilities worldwide.

Healthcare facilities that use Cerner systems can rest assured that any Epson Cerner-validated product will reliably print, copy, fax, or scan from Cerner's system – seamlessly and securely.

Validation by Cerner underscores Epson's commitment to providing high-quality clean-hands, clean-air print and copy solutions along with precise and versatile scanning solutions that address the unique requirements of the healthcare industry.
