

## Epson Australia Security Support Periods

---

Last updated: 26 February 2026

### Purpose

Epson Australia Pty Limited (**Epson**) complies with the *Cyber Security Act 2024 (Cth)* and the *Cyber Security (Security standards for smart devices) Rules 2025 (Cth)*.

These laws prescribe mandatory security standards for **consumer-grade relevant connectable devices**, being smart devices that are intended, or are reasonably likely, to be used for personal, domestic, or household purposes and that are acquired by consumers under the Australian Consumer Law.

This document sets out Epson Australia's compliance with the publication of security update support periods for relevant products.

### Published security support periods

For the purposes of this document, a **security update support period** is the **minimum period during which Epson will provide security updates** for the relevant product in accordance with the *Cyber Security (Security standards for smart devices) Rules 2025 (Cth)*.

The **security update end date** is the date on which that minimum support period ends. The security update support periods for the relevant products are set out in **Schedule A** and are grouped by category.

- Consumer and Business Products
- Scanners
- ColorWorks Printers
- Point of Sale Printers
- Large Format Printers
- Visual Projectors
