BEST PHOTO PRINTER

EPSON PICTUREMATE 500

RRP \$399

The best portable photo lab has got even better. Taking the best parts of the PictureMate and adding some much-needed features, Epson has come up with another winner. Now boasting a 2.4in screen and an optional lithium battery, this little powerhouse can follow you anywhere. Excellent quality prints and decent speeds are combined with excellent value-for-money.

HIGHLY RECOMMENDED

Canon PIXMA iP5200 – RRP \$299
