

Epson WorkForce ES-500WR

Epson ScanSmart Accounting Edition

The Scanner that makes life easy for Accountants!

Epson Australia is pleased to introduce its newest A4 sheet-fed scanner with built-in Wi-Fi for Accountants and bookkeepers – the **Epson WorkForce ES-500WR**, designed from the ground up to deliver performance, versatility, quality and speed.

- **Premium accounting features** – scan directly to popular XERO™ and MYOB™¹
- **Wireless** - scan to smartphone, tablet, PC or Mac²
- **Duplex Scanning - Easy 2-sided scanning up to 35 ppm/70 ipm³**
- **Scan Invoices, receipts and documents** — 50-page Auto Document Feeder
- **Automatic file naming and receipt recognition** — smart tools to help save time storing and finding critical data and documents
- **Nuance® Power PDF for Windows® and PDF Converter for Mac** — create, convert and assemble searchable PDFs; annotate, highlight and redact
- **Compatible with most document management software** — TWAIN driver included
- **Easy sharing and collaboration** — email or upload to cloud storage services² such as Dropbox™, Evernote® and Google Drive™
- **Reliable paper feeding system** — Ultrasonic Double Feed Detection prevents missing pages; also features Dynamic Skew Correction

TARGET MARKET AND POSITIONING:

The **Epson WorkForce ES-500WR** is ideal for Accountants or business environments that need to quickly capture receipts, invoices and other documents for export to popular accounting software or archiving.

KEY FEATURES & BENEFITS

- ✓ **Exceptional Speed** – 35ppm / 70 ipm³ scan speeds for fast and productive scanning means that documents can be stored and or shared efficiently.
- ✓ **Optional Network Adaptor** – One single scanner can be connected to a network so the unit can be shared by multiple users and easy integration into an organisation.
- ✓ **Scan directly to popular Accounting software** such as XERO™ and MYOB™¹.
- ✓ **In-built WiFi** – connect seamlessly to mobile devices.
- ✓ **Scan to searchable PDF's** – scan and edit documents; save scanned documents as PDF files. The included OCR software allows documents to be scanned and saved as text-searchable PDF files, dramatically improving the ability to search and successfully locate information contained in scanned and stored documents.
- ✓ **Advanced colour and image adjustments** – featuring Colour Enhance, Colour Dropout, automatic paper size detection for innovative and productive document management. A3 sized documents which are folded in half can be scanned and stitched together so that it is one complete image or file.
- ✓ **Versatile paper handling** – scan stacks of business cards and extra-long paper. Mixed types of paper sizes can be scanned at the one time in the Automatic document feeder.
- ✓ **Connect to document management software** – TWAIN and ISIS drivers for seamless integration between the scanner and custom built business applications.
- ✓ **Powerful Duty Cycle** – with a scanning capacity of up to 4,000 sheets per day, the scanner is perfect for business environments such as financial institutions, government and enterprise.

SOFTWARE SUMMARY

Epson ScanSmart will turn scans into dynamic documents and simplifies workflow.

Epson ScanSmart
Accounting Edition

- ✓ Preview scanned images with editing options
- ✓ Create editable Microsoft Office documents from scanned images
- ✓ Upload to popular cloud services
- ✓ Save documents with smart file naming
- ✓ Create searchable PDF's
- ✓ Extract key data from receipts
- ✓ Easily export receipt data into third party software (Quickbooks, Quicken, TurboTax, Excel CSV)

1. Requires Epson ScanSmart Accounting Edition Software. Not available for iOS® or Android™ mobile devices
2. Wirelessly scan to smartphones or tablets (Android/iOS devices) via the Epson DocumentScan App; wirelessly scan to the cloud, PCs or Macs with Epson ScanSmart Accounting Edition Software installed on the connected Windows PC or Mac. Epson ScanSmart Accounting Edition Software supports Windows 10 (32-bit, 64-bit), Windows 8/8.1 (32-bit, 64-bit), Windows 7 (32-bit, 64-bit) SP1 and Mac OS X® 10.11.x to macOS® 10.13.x.
3. Based on letter-sized scans at 300 dpi in Black-and-White, Grayscale or Color Mode, using the USB interface.
