## Epson Stylus™ Office T40W

## Amazing Speed, Laser-sharp Quality & Wireless Connectivity

The Epson Stylus™ Office T40W is the ideal integrated office solution

### Enhance Business Productivity

#### *Laser Print Speed*

Maximise time efficiency and productivity with the Epson Stylus™ Office T40W:

- Laser quality print speed of 27 pages per minute
- Business quality colour print speed of 19 pages per minute
- Draft print speed of 38 pages per minute

#### *Wireless Network Connectivity*

Connect multiple workstations for shared, effortless printing. Wireless network connectivity eliminates the need for expensive and messy wiring, enabling versatility and mobility.

### Professional Quality

#### *Laser-sharp Quality*

Epson DURABrite™ Ultra ink delivers laser-sharp quality and brilliantly coloured prints for all your professional needs. Most importantly, prints dry in an instant and are water, smudge and fade resistant. Rest assured that important business documents will last for years to come.

Further, Epson's Micro Piezo print head technology delivers unrivalled quality prints with VSDT (Variable Sized Droplet Technology) without compromising on speed.

### Economical Printing

#### *Individual Ink Cartridges*

Epson individual ink cartridges allow you to maximise usage, as you only replace the colour you use. In addition, a black ink cartridge is available in extra high capacity to specially cater to high volume business needs, and reduce running costs and the inconvenience of changing cartridges frequently.

#### *Energy Efficient Features*

The Energy Star compliant Epson Stylus™ Office T40W consumes only 16W during printing. Energy efficiency is key to minimising running costs.

**Added Functionality**

*More Choices with Paper Flexibility*

While laser printers are normally limited to plain paper and envelopes, an advantage of using the Epson Stylus™ Office T40W is its ability to print on a wide array of paper such as glossy photo paper. This makes it a versatile partner for all your creative projects.

**Photo Perfection with Epson Creativity Suite**

The Epson Stylus™ Office T40W comes with powerful and easy to use photo and document management software including:

- Epson Easy Photo Print  
Achieve photo lab quality prints in just 3 steps with this easy to use software.

Step 1  
Choose photo

Step 2  
Choose size & media

Step 3  
Print

- Epson PhotoEnhance  
Gives you beautiful and natural prints with automatic adjustments of skin tones, colour casts and exposure levels, adding a professional touch to photos.

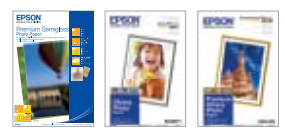

**Partners in Perfection**

An efficient and key partner to your office document digitisation needs, Epson's range of business scanners brings you awesome image quality and accurate colour reproduction. Simply scan to archive or to share.

Epson inks are designed specifically to work with your Epson printer to deliver stable, long-lasting prints.

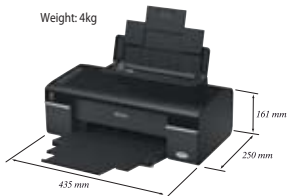

Epson specialty paper media is designed to complement Epson genuine inks to produce exceptionally high quality prints.

## Epson Stylus™ Office T40W

Weight: 4kg

\*To use USB port, your PC must conform to PC98 specifications, and have Windows preinstalled. Consult the documentation provided with your PC for further information about USB connectivity. Note also that printing errors may occur if non-standard cables or more than 2 USB hub connections are used.

\* Print speed (PPM) when printed on A4 plain paper in the fastest mode, 10x15cm photo print speed when printed on Epson Premium Glossy Photo Paper in default mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.
