EPSON®

All purpose single and multifunction printers

The Epson Stylus CX5500 and C90 are the ideal, affordable, high quality solution for everyone from families to small businesses. And the CX5500 also offers the added benefits of scanning and copying.

#### Low Cost Individual Ink Cartridges

You only need to replace the ink cartridge you use with the Epson Stylus CX5500 and C90, because they use individual ink cartridges. Replacements are affordable and guarantee maximum quality.

#### Epson DURABrite™ Ultra Ink

Epson DURABrite Ultra Ink is a resin coated pigment ink; which doesn't smudge and is water and fade resistant – therefore creating simply perfect prints on a wide variety of paper!

Epson DURABrite Ultra Ink is the ideal all purpose ink which is great for printing everyday documents such as flyers and colourful school projects, printing off web pages or producing your own glossy photos at home with outstanding results. With Epson DURABrite Ultra Ink your prints will remain vibrant for many years to come.

#### Epson PhotoEnhance

With Epson PhotoEnhance it is like having your very own photo expert inside your printer. It automatically identifies components of photos that contain people, faces or landscapes and adjusts the colour balances to produce the optimum output.

#### Easy-to-use Software

The Epson Stylus CX5500 and C90 come with powerful and easy to use photo and document management project software. Which includes:

- Epson Easy Photo Fix™ restores faded photos. (CX5500 only)
- Epson Creativity Suite software makes editing and printing easy.
- Epson web-to-page allows printing of entire Web pages without truncation or cropping.
