

christmas
joy

The image shows a festive Christmas card. It features a white background with a large, empty rectangular space for a photo. This space is framed by a border made of colorful, horizontal stripes in red, white, blue, green, and pink. The border is held together by four silver-colored corner fasteners. In the top left corner of the white space, the word 'christmas' is written in a green, lowercase, sans-serif font. Below it, the word 'joy' is written in a large, red, lowercase, serif font. A small, white, snowflake-shaped ornament is placed on the dot of the 'j' in 'joy'.
